JOB XP

August 2013 - Present | Malauzai Software - (Banking Application) | UX Design
At Malauzai Software, I managed, maintained and implemented over 100+ Financial Institutions into a custom mobile application platform. A few clients provided custom branding, while most projects involved a design process from the ground up. (ie: Pulling their logo from a floor mat.)

April 2012 - August 2013 | NAKA Media Design - (Media Agency) | Sr. Digital Artist
Tasked to maximize an intuitive UX experience with a fresh and clean UI for the end design for a variety of mobile applications, website design/development and conceptualization of products and services offered by the company to their esteemed list of clients.

Nov 2011 - Feb 2012 | INVODO – (Media Agency) | Art Director
Immediate Placement for contract work overseeing campaigns for Verizon Wireless On-Device, NewEgg.com Product video, and conceptualize a 'land and expand' Commercial Campaign for Panasonic's 3d Televisions.

1996 - 2011 | All Media Studios – (Ad Agency) | Creative Director
Various work included: Talent Agencies, Artists, Actors, Composers, Corporations, Vehicle Dealerships, Creatives, Banners, Flyer's, Print, Logo, Color Aesthetics, Flash & 3D Animations, etc.
